## Events Page

(NIS = NSS) → (P) (DEPARTMENT) (AND) (PEOPLE) (AND) (NSS) → (NSS) → (P) (Department) (AND) (PEOPLE) (AND) (NSS)

OR  
 rotates to full view + enlarges  
 for certain things only  
 each time a user  
 selects a feature / completes  
 a task for the first time:

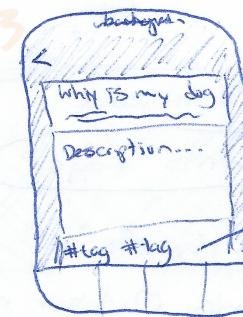

msg pops up:  
 we will remind  
 you  
 "Oh! You will be  
 reminded about  
 'Event Name' closer to  
 the date. Confirm my  
 attendance to get  
 in touch w/ others  
 who are going."
